## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of  
Rhode Island Mayoral Academy Blackstone Valley and Affiliate:

### **Report on the Financial Statements**

We have audited the accompanying consolidated financial statements of Rhode Island Mayoral Academy Blackstone Valley (a non-profit organization) and Affiliate (collectively, the Organization), which comprise the consolidated statement of financial position as of June 30, 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

### ***Management's Responsibility for the Consolidated Financial Statements***

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Rhode Island Mayoral Academy Blackstone Valley and Affiliate as of June 30, 2021, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Report on Summarized Comparative Information***

We have previously audited the Organization's June 30, 2020 consolidated financial statements, and in our report dated November 3, 2020, we expressed an unmodified opinion on those audited consolidated financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2020, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

### ***Other Matters***

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated October 18, 2021, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**Year Ended June 30, 2021**

**1. Nature of Operations**

Rhode Island Mayoral Academy Blackstone Valley (the Academy), is a network of tuition-free public schools chartered by the Rhode Island Department of Education. As a growing network that is part of the Charter School Growth Fund portfolio, the Academy offers a high-quality public school choice to the families of Central Falls, Cumberland, Lincoln, and Pawtucket and currently serves approximately 2,200 scholars in grades K-12 across six schools. The Academy's mission is to prepare every scholar for success in college and the world beyond.

The Academy's culture is founded on the core PRIDE values as follows:

- Perseverance,
- Respect,
- Integrity,
- Discipline and
- Enthusiasm

Scholars, families and staff are expected to live and implement these in their daily work. Supported by the unyielding commitment to the belief that all children can achieve, the Academy believes its students are really scholars who will one day graduate from college.

Funding is provided through state and local per-pupil funding, as well as federal grants, some of which are provided by the Rhode Island Department of Education. The Academy also receives contributions from various foundations and the local community.

The Academy is the sole member of School Holdings I, LLC (SHI), a Rhode Island single member limited liability corporation established to hold real estate and secure financing for the Academy.

**2. Summary of Significant Accounting Policies**

This summary of significant accounting policies of the Academy and SHI (collectively, the Organization) is presented to assist the reader in understanding the consolidated financial statements. The consolidated financial statements and notes are representations of the Organization's management, who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the consolidated financial statements.

**RHODE ISLAND MAYORAL ACADEMY BLACKSTONE VALLEY AND AFFILIATE**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**Year Ended June 30, 2021**

***Accounting Pronouncements Adopted***

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers*, which replaces most existing revenue recognition guidance in accounting principles generally accepted in the United States of America. The standard requires an entity to recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Effective July 1, 2020, the Organization adopted ASU 2014-09, which did not have a material effect on the Organization's consolidated financial statements.

***Principles of Consolidation***

The consolidated financial statements include the accounts of the Academy and SHI. All significant intercompany balances and transactions have been eliminated.

***Basis of Presentation***

The Organization prepares its consolidated financial statements on the accrual basis of accounting and, in accordance with authoritative guidance, reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions, and net assets with donor restrictions.

***Net Assets Without Donor Restrictions***

Net assets without donor restrictions are available for use at the discretion of the Board of Directors (the Board) and/or management for general operating purposes.

***Net Assets With Donor Restrictions***

Net assets with donor restrictions consist of assets whose use is limited by donor-imposed time and/or purpose restrictions. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction is satisfied, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the consolidated statement of activities.

At June 30, 2021, the Organization had net assets with donor purpose restrictions of \$13,633 for the purpose of Advocacy. The Organization had no net assets with donor restrictions to be held in perpetuity.

**RHODE ISLAND MAYORAL ACADEMY BLACKSTONE VALLEY AND AFFILIATE**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**Year Ended June 30, 2021**

***Comparative Financial Information***

The accompanying consolidated financial statements include certain prior year summarized comparative information in total, without accompanying note disclosures and certain functional expense information. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization’s consolidated financial statements and related notes to the consolidated financial statements for the year ended June 30, 2020, from which the summarized information was derived.

***Grants and Contracts Receivable***

The Academy carries its grants and contracts receivable at net realizable value. On a periodic basis, the Academy evaluates its receivables and establishes an allowance for doubtful accounts, based on a history of past bad debt expense and collections and current credit conditions.

A receivable is considered past due if the Organization has not received payment within the stated terms. Once all practical resources to collect the receivable have been utilized without success, the receivable is deemed uncollectible and charged to the allowance for doubtful accounts. In the opinion of management, no allowance for doubtful accounts is necessary at June 30, 2021.

***Property and Equipment***

Property and equipment purchased is recorded at cost. It is the policy of the Organization to capitalize assets with costs or fair value greater than \$2,000. Depreciation of property and equipment is provided over the estimated useful lives of the respective assets on the straight-line basis as follows:

Computers and software	3-7 years
Furniture and equipment	3-7 years
Building improvements	3-10 years
Building	20-39 years

***Security Deposits***

Security deposits represent refundable deposits on certain properties leased by the Academy.

***PPP Loan Payable***

The Organization has elected to record the Paycheck Protection Program loan (PPP loan) as a loan payable. Loan forgiveness will be recognized when the conditions for loan forgiveness are met, and the forgiveness amount is formally approved by the lender and the U.S. Small Business Administration (SBA).

**RHODE ISLAND MAYORAL ACADEMY BLACKSTONE VALLEY AND AFFILIATE**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**Year Ended June 30, 2021**

***Bond Issuance Costs***

Bond issuance costs are amortized as interest expense over the life of the respective bond on a straight-line basis. In accordance with authoritative guidance, bond issuance costs related to a debt liability are presented in the consolidated statement of financial position as a direct reduction from the carrying amount of that liability.

***Revenue Recognition***

***Federal and State Financial Assistance***

A portion of the Academy's revenue is derived from cost-reimbursable federal and state grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Academy has incurred expenditures in compliance with specific grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenue in the consolidated statement of financial position.

***State Charter School Aid***

State charter school aid represents state funding based on the demographics and census information of the participating municipalities. Revenue is recognized ratably over time throughout the period in which the related education is performed.

***Municipal Aid***

Municipal aid represents the local portion of per pupil funding from the communities in which the Academy's students reside. Revenue is recognized ratably over time throughout the period in which the related educational instruction is performed.

***Medicaid Reimbursement and Other Contract Revenue and Reimbursements***

The Academy recognizes revenue from Medicaid reimbursements and from other contract revenue and reimbursements when services have been rendered and/or any contractual obligations have been met.

***Contributions***

Contributions represent unconditional support from private foundations and individuals. The Organization recognizes revenue from unconditional contributions in the fiscal year in which the contribution is received or receivable. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been met. Contributions are recorded either as net assets without or with donor restrictions depending on the existence and/or nature of any donor-imposed restrictions. However, it is the policy of the Organization to show net assets with donor restrictions that are both received and expended in the current year directly in net assets without donor restrictions.

**RHODE ISLAND MAYORAL ACADEMY BLACKSTONE VALLEY AND AFFILIATE**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**Year Ended June 30, 2021**

***Donated Services and In-kind Contributions***

Contributions of donated services that create or enhance non-financial assets or that require specialized skills and are provided by individuals possessing those skills, and that would typically need to be purchased if not provided by donation are recorded at their fair values in the period received.

Volunteers also provided a variety of program services throughout the year that are not recognized as contributions in the consolidated financial statements since the recognition criteria under accounting principles generally accepted in the United States of America were not met.

***Rental Revenue***

SHI recognizes rental revenue as it is earned.

***Advertising***

The Academy follows the policy of charging the costs of advertising to expense as incurred. Advertising expense for the year ended June 30, 2021 was \$9,716.

***Functional Allocation of Expenses***

The consolidated financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include compensation and benefits, which are allocated on a basis of time and effort, as well as depreciation and occupancy, which are allocated on a square footage basis.

***Income Taxes***

The Academy is a not-for-profit charitable organization exempt from federal income taxes as a public charity under Section 501(c)(3) of the Internal Revenue Code. Management believes that the Academy operates in a manner consistent with its tax-exempt status at both the federal and state level. The Academy annually files IRS Form 990 - *Return of Organization Exempt from Income Tax*, reporting various information that the IRS uses to monitor the activities of tax-exempt entities.

For federal income tax purposes, SHI is a disregarded entity, and the results of its operations are reported in the Form 990 of the Academy, its sole member. For Rhode Island corporate income tax purposes, SHI files a corporate income tax return and is subject to the annual Rhode Island minimum corporate franchise tax.

These tax returns are subject to review by the taxing authorities, generally for a period three years after they were filed. There are no tax examinations in progress for either entity.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**Year Ended June 30, 2021**

***Estimates and Assumptions***

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the period. Accordingly, actual results could differ from these estimates.

***Recent Accounting Pronouncements***

The following is a summary of recent authoritative pronouncements that could impact the accounting, reporting, and/or disclosure of financial information by the Organization.

In February 2016, the Financial Accounting Standards Board (FASB) issued ASU 2016-02, *Leases*, which is effective for annual periods beginning after December 15, 2021. The standard requires all leases with lease terms over 12 months to be capitalized as a right-of-use asset and lease liability on the statement of financial position at the date of lease commencement. Leases will be classified as either finance or operating. This distinction will be relevant for the pattern of expense recognition in the consolidated statement of activities. This standard will be effective for the Organization's year ending June 30, 2023, with early adoption permitted. The Organization is currently in the process of evaluating the impact of adoption on the consolidated financial statements.

In September 2020, the FASB issued ASU 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*, which provides new presentation and disclosure requirements for contributed nonfinancial assets. The standard will be effective for the Organization's year ending June 30, 2022.

***Reclassifications***

Certain 2020 amounts were reclassified to conform to the 2021 consolidated financial statement presentation.

***Subsequent Events***

Management of the Organization has evaluated subsequent events through October 18, 2021, which is the date these consolidated financial statements were available to be issued.

The PPP Loan is set to mature on April 10, 2022 and bears interest at a rate of 1% per annum, payable monthly. There was no accrued interest on the PPP Loan as of June 30, 2021, as it would be immaterial to the overall consolidated financial statements. The PPP Loan may be prepaid by the Academy at any time prior to maturity with no prepayment penalties. Under the terms of the PPP, certain amounts of the PPP Loan may be forgiven if they are used for qualifying expenses as described in the CARES Act. The commencement date for PPP Loan payments and a potential revised maturity date will be determined upon the ultimate notification of loan forgiveness from the U.S. Small Business Administration (SBA). On May 25, 2021, the Academy received notification from the SBA recommending partial forgiveness in the amount of \$3,984,744. As of June 30, 2021, the Academy is awaiting on formal notification of loan forgiveness from the SBA. **8. Concentrations of Credit Risk and Market Risk**

The Academy is required by accounting principles generally accepted in the United States of America to disclose concentrations of credit risk regardless of the degree of such risk. Financial instruments which potentially subject the Academy to concentrations of credit and market risks consist principally of cash, revenues and public support and grants and contracts receivable. In addition, the Academy operates mayoral academy charter schools under a five-year renewable charter that expires June 30, 2024. Management does not believe that significant credit risk exists at year-end.

The Academy maintains its cash balances in several financial institutions. The balance at each institution is insured by the Federal Deposit Insurance Corporation up to \$250,000. The Academy’s cash balances exceed this limit. Cash balances in excess of \$250,000 are generally uninsured. At year-end, management does not believe that significant credit risk exists relative to cash.

During the year ended June 30, 2021, the Academy received approximately 61% and 10% of its total revenue without donor restrictions from the Rhode Island Department of Education and the Town of Cumberland, respectively.

As of June 30, 2021, 96% of the Academy’s grants and contracts receivable are due from two funding sources. Historically, the Academy has not experienced any significant losses relative to these funding sources and does not believe that significant credit risk exists relative to these receivables.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors of  
Rhode Island Mayoral Academy Blackstone Valley:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the consolidated financial statements of Rhode Island Mayoral Academy Blackstone Valley and Affiliate (the Organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 18, 2021.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS* (Continued)**

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH  
MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL  
OVER COMPLIANCE AS REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of  
Rhode Island Mayoral Academy Blackstone Valley:

**Report on Compliance for Each Major Federal Program**

We have audited Rhode Island Mayoral Academy Blackstone Valley's (the Academy) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the Academy's major federal program for the year ended June 30, 2021. The Academy's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

***Auditors' Responsibility***

Our responsibility is to express an opinion on compliance for the Academy's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Academy's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination on the Academy's compliance.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH  
MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL  
OVER COMPLIANCE AS REQUIRED BY THE UNIFORM GUIDANCE (Continued)**

***Opinion on Each Major Federal Program***

In our opinion, the Academy complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2021.

**Report on Internal Control over Compliance**

Management of the Academy is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Academy's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Academy's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that a material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
